

EASTERN MASS. YMCA SWIM LEAGUE

December 27, 2007

Dear Coach:

As we announced in the November coaches mailing, there will not be a pre-District coaches meeting. Materials for the 2008 Districts will be on-line at the Lynn YMCA website and those that are specifically for coaches only are attached with this letter. Remember for those teams using Hy-Tek, it's very important that we be "on the same page" - it means less work for all of us.

Remember to mail meet result cards to Barbara. Each team must send in a result card. Awards are not given at Districts unless all meet results cards are in from each Division. If you do not swim a dual meet on your schedule before the Districts begin, it goes as a loss for both teams. Make sure this is complete. Rosters must be sent to Elaine in order for your team to compete at Districts.

District qualifying times must have been achieved during the 2007-2008 season (October-January). Be prepared for proof-of-time.

District entries are due on Sunday, January 13th. If you swim a meet on January 19th, any qualifying times achieved on the 19th will not be accepted for the 2008 Districts. Teams that are e-mailing a copy of their District entry to Barbara should send it as a spread sheet by class group.

Documents on-line

Class entry sheets
Officials' sign-ups
Warm-up times
Directions to Medford

Attached with this letter

District instructions
Coaches Certifications
Patch order form
