

EASTERN MASS. YMCA SWIM LEAGUE

December 27, 2008

Dear Coach:

As we announced in the November coaches mailing, there will not be a pre-District coaches meeting. Materials for the 2009 Districts will be on-line at the Lynn YMCA website and those that are specifically for coaches only are attached with this letter. Remember for those teams using Hy-Tek, it's very important that we be "on the same page" - it means less work for all of us.

Remember to mail meet result cards to Elaine. Each team must send in a result card. Awards are not given at Districts unless all meet results cards are in from each Division. If you do not swim a dual meet on your schedule before the Districts begin, it goes as a loss for both teams. Make sure this is complete. Rosters must be sent to Elaine in order for your team to compete at Districts.

District qualifying times must have been achieved during the 2008-2009 season (October-January). Be prepared for proof-of-time.

District entries are due on Sunday, January 18<sup>th</sup>. If you swim a meet on January 24<sup>th</sup>, any qualifying times achieved on the 24<sup>th</sup> will not be accepted for the 2009 Districts. Teams that are e-mailing a copy of their District entry to Elaine should send it as a spread sheet by class group.
